

Business Development Manager- Proposals

Marketing Department

Summary:

The Business Development Proposals Manager is a key member of the firm's Marketing and Business Development Department. This role actively drives the strategy and execution of large-scale, strategic RFP/RFI responses, management of the firm's global panel development program, and other major business development initiatives. While the Manager's primary responsibilities are managing responses to RFPs/RFIs from inception to final product, and managing the firm's global panel development program, this role also provides the opportunity to participate and have a leading role in a number of other interesting and important business development activities.
